

MEMORY VERSE

"You are the God who performs miracles, you display your power among the nations." – Psalm 77:14

FIELD ASSIGNMENT

In this week's lesson, we learned that God is the only one that perform miracles. We also learned that He uses miracles to show others His power so that they can believe. This week, we have 2 simple assignments for you to do.

FIELD ASSIGNMENT - PART 1

First, spend time thinking of how God has worked in your life. Have you ever seen Him perform a miracle in your life? If so, then make sure you don't forget to thank God for showing His power to you. You also don't want to forget it because it will make you stronger in your faith and God will be able to use you even more to help others around you.

FIELD ASSIGNMENT - PART 2

Next, think of people that you know personally that may need God's power or help in a problem. It could be a BIG problem or something small. Take time during the week to pray for this person so that God can show His power in the situation. You may even see a miracle happen!

JUST FOR FUN

This week, you heard and learned a few words that come from Swahili. This is the language spoken by the Swahili people (Waswahili) who live on the East coast of Africa near along the Indian Ocean from southern Somalia to northern Mozambique and the Comoros Islands.

Many of the nations in eastern Africa teach Swahili in schools and it is used as a common language in markets and along borders of different African nations. It is the only language of African origin that is officially used in government meeting among nations in the African Union.

Here are some fun words that you can learn:

| Swahili | Pronounced | English Meaning |
|--------------------|--------------------|-----------------|
| Hamjambo! | (HAM jam bo) | How are you? |
| Mola | (MO la) | God |
| Mwujiza | (m wu JEE za) | Miracle |
| Ninakupenda | (NEE na ku PEN da) | I love you |

Note: The 'a' should be pronounced like the 'a' in 'father' and not in 'ham'.

FILL-IN FUN

We learned this week that our new assignment will focus on God's miracles. Below are a few words from this week's teaching. Can you fill them in around the word 'miracles'?

ANIMALS
BELIEVE
CREATION

MESSAGE
MIRACLES
POWER

PURPOSE
REASON
SPECIAL

Hint: If you get stuck, then count the number of letters in each word, and write it next to the word. Then count the number of spaces and fill in the words that match up.
