

A **REBUS** is a word puzzle that uses pictures in place of words. To solve the puzzle, you need to figure out what each picture is. It will give you a clue to what the word or words are. Here are some examples:

Letters and numbers can be words

B

Be

4

For

A plus sign between pictures shows that the words go together to make a different word

B + 4

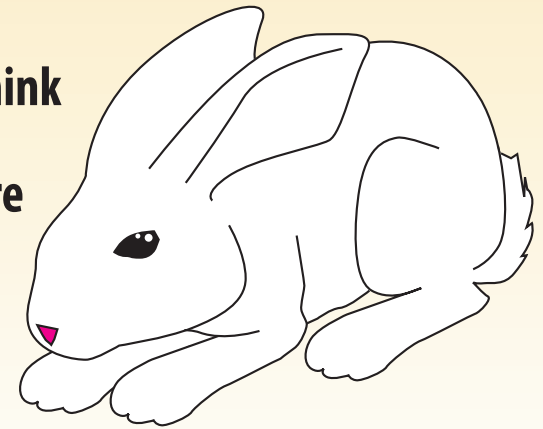

Be + For = Before

Some words sound like the picture so you need to sound out the clue

F

'F' sounds like 'If'

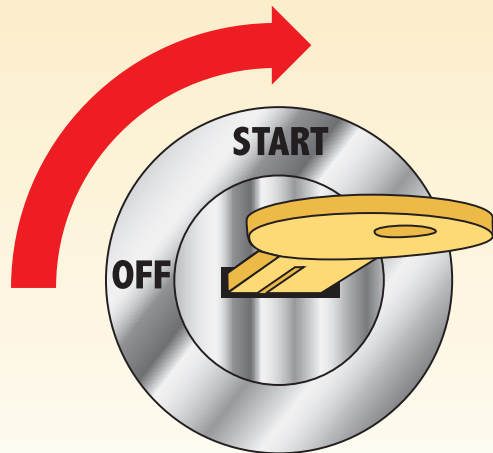

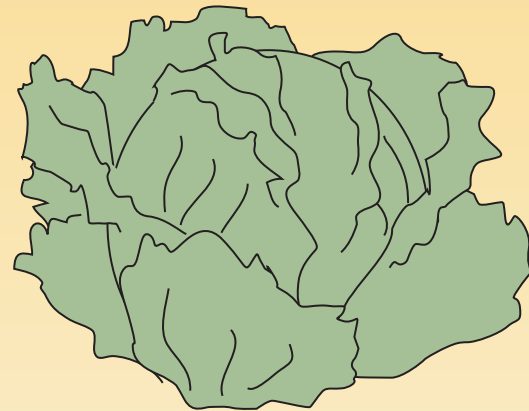

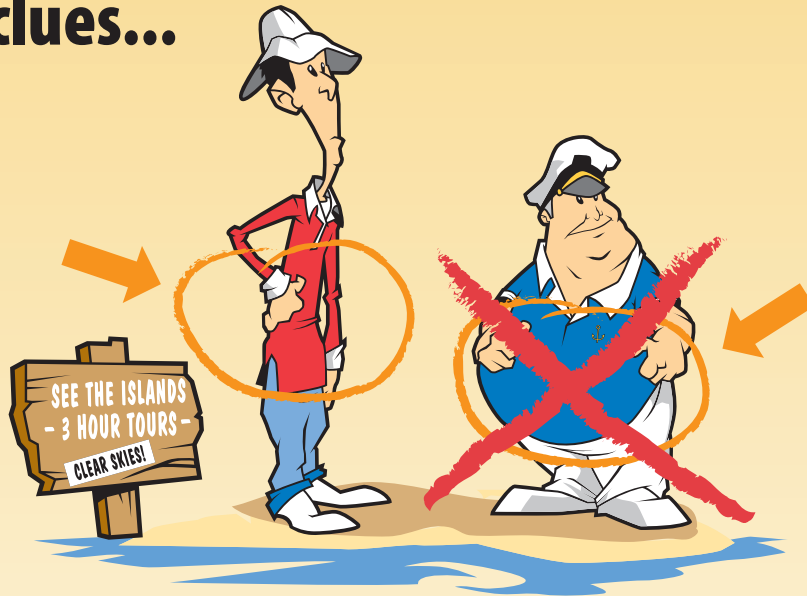

You may need to think of different words for the same picture

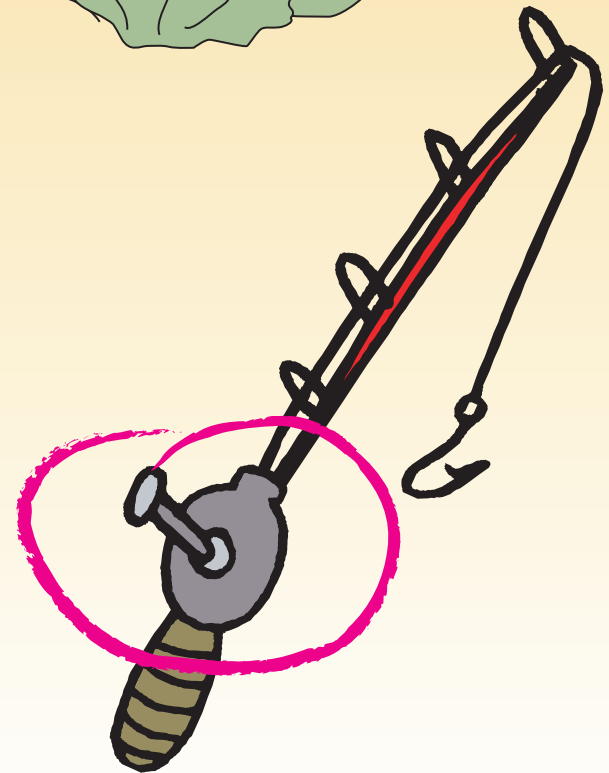

This is not a 'rabbit', it's a 'hare'

Once you've figured out these clues...
